

Dearest Cherished Marketplace Attendees,

The cost to get into the Marketplace is \$5 per day. To get in quickly and to be registered for the wonderful assortment of fabulous door prizes, you need to fill in these tickets, one for each day that you're attending. Please bring them with you when you come.

We will take your ticket, stamp your hand and release you into the wilds of the Marketplace. If you would like to attend for multiple days (all three for \$12), you can pay on the first day and we'll stamp all your tickets for the other two days. Cash will be the fastest and easiest way to pay, and we strongly encourage it.

STUDENTS DO NOT NEED TO FILL IN THESE TICKETS. (They get in to the Marketplace for free, and their door prize tickets are in their registration packs.)
